What We Say

Joint winner of the 2021 Net Benefit Award, HESTA was established in 1987 to provide for the retirement needs of members employed within the Health and Community Services. The fund is a public offer fund and allows members from all industries to apply for membership. The fund was nominated as a finalist for the 2021 Momentum, the 2021 MySuper of the Year and the 2021 Career Fund of the Year awards, and is also Infinity Recognised, which is a result of its strong commitment to environmental and social principles.

The Balanced Growth option is the fund's default investment option, whilst choice members may also select from a range of Diversified and Single Sector investment options. The Balanced Growth option outperformed the relevant SuperRatings Index over each time period assessed to 30 June 2020.

Fees are lower than the industry average across all account balances assessed. The fund does not charge a switching fee or a buy-sell spread.

HESTA's insurance offering provides eligible members with automatic Standard Insurance Cover, including 2 units of Death cover and 2 units of Income Protection cover (IP). Members may apply for up to \$5m of Death cover and up to \$3m of TPD cover. Standard IP covers up to 85% of salary until age 67 with a 90-day waiting period; however, benefit periods of 2 years or to age 60 are available, as well as 30- and 60-day waiting periods.
