HESTA

Super with impact

We're a specialist industry super fund. More than 130,000 employers trust us with their employees' super. We have deep connections to people working in health and community services and those who, like them, make our world better.

A top-performing fund[^]

HESTA invests approximately \$81* billion on behalf of more than one million members. We use our expertise to deliver strong long-term returns* while accelerating our contribution to a more sustainable world. View the latest returns for our investment options at hesta.com.au/performance

Super with impact™

Super with impact™ is the positive outcome we create by supporting our members to face the future with confidence, being a gutsy advocate for a fair and healthy community, and delivering investment excellence with impact. Find out more at hesta.com.au/impact

Tailored employer support

Choosing HESTA as your partner for super means you get on-the-ground support nationwide. We're on hand to support your day-to-day administration as well as providing practical, professional help on all things super. Transitioning to HESTA is made easy through our tailored transition services.

Financial wellbeing

You know your employees best. That's why we help you tailor your workplace financial wellbeing programs. Your employees will have access to a range of tools to support their financial wellbeing and retirement readiness. This includes super education seminars in your workplace or via online interactive webinars.

Expert help

As members, your employees get superannuation advice on their terms, at no extra cost – it's all part of being with HESTA. They can access it whenever and wherever they like – online, over the phone, through an information session or face-to-face.

Insurance and support for parents

Members have access to competitive insurance cover that protects them and their families. Eligible members can also get fee-free cover for up to 12 months on approved parental leave – and stay protected. Find out more at hesta.com.au/parental-leave
